

**Information Sheet 81: Facilitated visa procedure – subsequent immigration to Germany of the parents of a Syrian unaccompanied minor refugee** **March 2017**

**This Information Sheet applies to family reunification for**

- **parents possessing the right of care and custody for a Syrian unaccompanied minor refugee in Germany who has been recognised as being entitled to asylum (as provided for in Section 36 (1) of the Residence Act).**

**Refugees who enjoy only so-called limited or subsidiary protection and whose certificate of recognition was issued by the Federal Office for Migration and Refugees (BAMF) after 17 March 2016 are not eligible for family reunification (cf. Section 104 (13) of the Residence Act). If an application is filed anyway, it will be denied, for lack of a legal basis, and the applicant will be charged a fee.**

Applications can be submitted at a visa section by prior appointment only. Appointments must be made via the online iDATA portal. The address is: <https://nationalvisagermany.idata.com.tr>. This website contains all information related to making an appointment (website languages: German, Turkish and Arabic). The appointment fee is 7.80 euros per person, and it must be paid to iDATA (for more information related to payments, please visit the iDATA website at [www.idata.com.tr](http://www.idata.com.tr)). Should you no longer need a previously-arranged appointment, please cancel it, so that waiting time can be reduced for the other applicants.

**Please note:** Parents of an unaccompanied minor refugee who has been recognised as being entitled to asylum are eligible for family reunification pursuant to Section 36 (1) of the Residence Act only if the child is under the age of 18. If the parents have not entered Germany before the child turns 18, their eligibility for reunification ends automatically. This also applies if a visa application was submitted, or an appointment to submit an application was made, prior to this date. It is then no longer possible to meet the deadline. Therefore, in cases where the child in Germany is 17 years of age, German visa sections in Turkey give early appointments through a centralised procedure. Please be on time and bring all necessary documentation. This will help reduce to a minimum the waiting time for all applicants. The International Organization for Migration (IOM) will assist you free of charge with your questions related to the visa procedure and completing your documents. If you require assistance, please contact [info.fap.tr@iom.int](mailto:info.fap.tr@iom.int).
