

Necessary documents for applying for a long-term (national) visa for Erasmus internships lasting more than 90 days for non-Turkish citizens (last updated: February 2022)

Please print out this information sheet, cross off the documents you have prepared and bring the information sheet with you to your application.

How and where do I apply for the visa?

You can find all information on that in the general information sheet on national visa on the homepage of the German foreign missions in Turkey: <https://tuerkei.diplo.de/tr-de/service/05-VisaEinreise/-/2170670>

How does the application procedure work?

Please come on time and in person to your appointment. Each family member applying for a visa must be there in person. Please bring all your documents with you. The staff at the visa section will accept your application documents and the fee, ask you questions about the planned stay and record your fingerprints. The staff speaks Turkish, Arabic, German or English. If you do not speak any of these languages very well, you must bring an interpreter with you. Please note that close family members (spouse, children) are not accepted as interpreters.

What documents do I need?

- 2 x completely filled in application forms: You can print out the application form here: <https://www.auswaertiges-amt.de/en/einreiseundaufenthalt/visabestimmungen-node?openAccordionId=item-231156-6-panel>
Alternatively you can use an online form and print it out from here: <https://videx-national.diplo.de/>
From the age of 18, you sign the form yourself; in the case of children, the parent or legal guardian sign it.
- Visa fee: You pay the visa fee at the visa section in cash. Change cannot be given. The fee is usually 75,00 Euro; for children from 0 to 17 years: usually 40,00 Euro.
- Valid passport and 2 copies of the passport data page(s) (page with your photo and validity dates) for each family member
- Two passport photos for each applicant: The photos must be biometric and not older than 6 months. They must be 35 x 45 millimetres. You can find more information on biometric photos here: <https://www.bmi.bund.de/SharedDocs/downloads/DE/veroeffentlichungen/themen/moderne-verwaltung/ausweise/fotomustertafel.html>

Please also bring the documents listed below (original version and 2 copies). Please ensure the copies are legible.

Please bring German translations of all foreign language documents. Only English language documents do not need to be translated.

Please note that foreign documents must be presented in the form required by the country in which the document was drawn up, e.g. legalized. You will find detailed information on this in the general information sheet on national visa on the homepage of the German foreign missions in Turkey: <https://tuerkei.diplo.de/tr-de/service/05-VisaEinreise/-/2170670>

Documents from German authorities will be accepted without further formality.

Turkish documents are accepted without further formality if they are presented in the international form (e.g. Formül B for marriage certificates, Formül A for birth certificates).

- Confirmation of your home university about your participation in the Erasmus programme and about the granted scholarship
- Learning Agreement for Traineeships (important: clearly filled-in section „Table B“, completely filled in and signed by all parties)
- Internship contract or invitation from employer in Germany.
- Proof of funding for the stay: Currently you must have at least 752 euros per month at your disposal. If the scholarship or internship salary does not cover the whole amount, the following options are available to you to cover the difference:
 - Payment of a security deposit into a blocked account in Germany:

- Proof of health insurance coverage for the whole period of the internship

The submission of complete documents does not constitute a claim to the issue of a visa, but enables the visa office to check the legal requirements. In individual cases, further documents not mentioned on the information sheets may also be required. You will be informed about this after the application has been submitted and will be given a reasonable period of time to submit them.

Detailed information on the procedure, in particular on the further course of the procedure, the regular processing times and the form of the documents to be submitted can be found on
